**MOON**

Suspension luminaire with diffuse light for indoor use.

MOON was created from the dream of bringing the moon inside your own home. The unryu kozo paper surface makes every lamp unique.

The rose is in matt white painted steel. The diffuser is in polypropylene and is hand-coated with unryu kozo paper. MOON 60 DE is dual emission.

It requires an E27 LED bulb, which is not included but is available as an accessory.

Apparecchio di illuminazione a sospensione, a luce diffusa, per interni.

MOON nasce da un sogno, quello di portare la luna dentro casa. La superficie di carta unryu kozo, fatta a mano, rende unico ogni pezzo.

Il rosone è in acciaio verniciato bianco opaco. Il diffusore è in polipropilene rivestito a mano con carta unryu kozo. MOON 60 DE è a doppia emissione.

La lampadina prevista è a LED, con attacco E27, e non è inclusa, ma disponibile come accessorio.
